

---

**CRL: Saw Gerrera's Partisans**

**Status:** Active (Rogue Mission Club)

**Costume Type:** Denizen – Partisan Fighter (militarized insurgent)

**Timeframe:** Clone Wars era through the Galactic Civil War (appearance based on *The Clone Wars*, *Andor*, and *Rogue One*)

**Inspiration Sources:** Saw Gerrera's forces as seen in *The Clone Wars*, *Rogue One*, *Andor*

---

**Universal Standards (Apply to All Rogue Mission Costumes)**

- **No obvious modern logos, zippers, or fast-fashion styles visible**
  - **Modern fasteners (Velcro, snaps, zippers) must be hidden or disguised**
- 

**Description**

Saw Gerrera's Partisans are a highly militarized, extremist offshoot of the Rebel cause. Their appearance is rugged, functional, and heavily influenced by scavenged and repurposed armor and weapons from the Clone Wars-era Republic or the Galactic Empire. Partisans maintain no formal rank insignia but display their allegiance through the Partisan emblem on their gear or clothing.

---

**Required Elements****1. Shirt / Base Layer**

- Military or paramilitary-style top: BDU shirt, utility shirt, flight undershirt, or combat tunic
- Colors: muted earth tones, olive drab, brown, grey, black, dark tan
- Fabrics: cotton, canvas, wool blends, or natural-looking synthetics (weathered as appropriate)

**2. Pants**

- Military combat trousers, BDUs, or cargo pants
- Colors: matching or complementary to top (olive, brown, grey, black)

- Pants may be tucked into boots, bloused, or worn outside if using ankle-height boots
- Weathering is strongly encouraged

### 3. Outerwear / Armor

- May include jackets, combat vests, or tactical webbing
- **Must incorporate at least one element of repurposed armor** from either Clone Wars-era Republic or Imperial designs (e.g., chest plates, pauldrons, shinguards, helmet components, gauntlets)
- Armor can be mismatched or incomplete to reflect scavenged nature
- No full Mandalorian armor

### 4. Footwear

- Combat or tactical boots in brown, black, olive, or dark grey
- No visible modern sneaker soles
- May include gaiters, wraps, or spats

### 5. Gloves

- Tactical, leather, or work gloves (fingered or fingerless) in black, brown, grey, or dark green

### 6. Weapon Prop *(at least one required)*

- Star Wars-style blaster rifle, carbine, heavy weapon, or other approved weapon
- May also include melee weapons with in-universe design cues
- Must not be an unmodified real-world firearm
- Nerf or airsoft bases must be heavily modified and repainted

### 7. Partisan Emblem *(required)*

- The Saw Gerrera Partisan symbol must be present somewhere on the costume
- Acceptable placements: helmet, chest armor, shoulder patch, arm band, vest panel
- May be stenciled, painted, or sewn — should look in-universe and weathered

---

### Optional Items

- Bandoliers, ammo belts, grenade pouches
  - Tactical backpacks or satchels
  - Goggles, rebreathers, macrobinoculars, headsets
  - Helmet styles may be Clone Wars-era, Imperial, or custom builds with Star Wars aesthetic
  - Fabric scarves or wraps (non-shemagh patterns) for environmental protection
  - Belt tools, data cylinders, communicator props
- 

### **Prohibited Items**

- Lightsabers (no Jedi/Sith characters)
  - Full Mandalorian armor
  - Exact **or Near-Exact** reproductions of existing canon main characters
  - Bright neon or out-of-universe colors
  - Shemaghs/keffiyeh patterns
- 

### **General Costume Notes**

- All visible parts of the costume must look in-universe and weathered appropriately
  - Mix-and-match elements are encouraged to reflect scavenged, guerrilla nature
  - Armor and gear should show signs of wear, repair, or modification
-
